## EXPERIENCE

---

### Graphic Artist

June 2024 - Present

*Full Sail University (SPARK Program)- Winter Park, FL*

- Created compelling motion graphics and visual assets using Adobe Creative Suite, supporting video, social media, and print campaigns for nonprofit clients.
- Applied advanced typography techniques to improve readability, enhancing visual clarity and brand appeal across all design outputs.
- Collaborated with post-production and design teams to deliver 2-3 motion graphics projects weekly, including both 2D and 3D content for promotional materials, video intros, and presentations.

### Editor & Colorist

June 2024 - Present

*Full Sail University (SPARK Program)- Winter Park, FL*

- Edited and refined 2-3 videos weekly using Adobe Premiere Pro and After Effects, ensuring seamless transitions, effective storytelling, and on-brand visual presentation.
- Enhanced footage through advanced color correction and grading to elevate mood and tone of digital content across 3+ platforms.
- Collaborated with post-production teams to deliver polished, professional multimedia pieces for nonprofit clients, reinforcing brand identity through motion graphics and visuals.

### Post-Production Intern - SPARK, Full Sail University

July 2023 - Present

*Full Sail University- Winter Park, FL*

- Took initiative in supporting post-production workflows for local nonprofit media projects, showcasing strong self-motivation and time management.
- Collaborated closely with editors and producers to make timely graphic revisions, incorporate visual effects and polish final contents.
- Communicated with team members to ensure visual consistency and meeting tight deadlines
